

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Math 65 (5th-6th)

**B0956** 9:00 AM

Julie Bloom

5th grade level math course using Saxon 65

Hwk: 1.5 hr/class hr Mon/Weds: Lesson Practice problems and/or Facts Practice problems not completed in class. Tues/Thurs: Lesson Warm Up, timed Facts Practice Test, Lesson Mixed Practice Problem set (25-30 problems) Fri: 20 problem Study Test and timed Facts Practice Test, or Investigation

Parents will oversee the completion, checking and correction of all homework.

**Cost: \$120.00**

Prerequisite: Saxon 54

**Class Fees: \$3.00 Student binder and handouts**

Supplies: Saxon Math Homeschool 65 (Third Edition) - consists of 3 books; Student Text, Tests and Worksheets Manual, Solutions Manual. Pencil and eraser, lined or graph paper to work problems

### Math 87 (7th-9th)

**B0971** 9:00 AM

Joanne Meadows

Two semester course that will strengthen general math skills while introducing prealgebraic concepts. This class is recommended for students who would like to reinforce their math skills and grow in confidence before entering PreAlgebra.

Hwk.: 3.0 hr/class hr "There will 2-3 hours of homework a week, consisting of timed drills and 30 problems twice a week and a 20 problem test every 2 weeks. "

Parents will oversee homework, grading, correcting, recording as well as administer the take home tests.

**Cost: \$168.00**

Prerequisite: Math 76 or equivalent. Diagnostic Test required for new DE students.

**Class Fees: \$5.00**

Supplies: Saxon Math 87, 3rd edition text, tests and worksheets, and solutions manual.

### MS Spanish (7th-9th)

**B0972** 9:00 AM

Yolanda Gambill

Students will learn vocabulary and grammar in Spanish. Students will participate in speaking, writing, listening comprehension, and reading in Spanish. Students will also learn about the many different Spanish-speaking countries and their culture.

Hwk.: 1 hr/class hr Students will study vocabulary each week. Students may have to finish a paper we talked about in class to practice grammar and vocabulary. There will be vocabulary tests on a weekly basis so it is important that students study each week.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$12.00 Handouts and rewards**

Supplies: Paper, binder, pencil, Spanish dictionary (optional)

### PreAlgebra (7th-9th)

**B0974** 9:00 AM

Sandy Grim

Two semester course introducing algebraic concepts and continuing to strengthen general math. 30 minutes will be devoted to providing tutorial/homework help in class each day.

There will be about 2-3 hours of homework a week consisting of timed drills, oral exercises and 30 problems twice a week and a 20 problem take home test every 2 weeks.

Parents will oversee homework, grading, correcting, recording, and administer the take home tests.

**Cost: \$168.00**

Prerequisite: Math 76 or 87 or equivalent. Diagnostic Test required for new DE students.

**Class Fees: \$5.00 Covers copies.**

Supplies: Saxon Algebra 1/2 3rd Edition, tests, answer key and solutions manual.

### Algebra 1 (7th-10th)

**B0985** 9:00 AM

Denise Camba

Algebraic and geometric concepts used in problem solving. Weekly quizzes and occasional timed drills will be included during class time. 30 minutes will be devoted to providing tutorial/homework help in class each day.

Hwk.: 2.0 hr/class hr

Parents will oversee homework, grading, correcting, recording, and administer the take home tests.

**Cost: \$168.00**

Prerequisite: Diagnostic Test required for new DE students.

**Class Fees: \$5.00 Covers copies & dividers**

Supplies: Saxon Algebra 1 - 3rd Edition text, tests, solutions manual & answer key

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Algebra 2 (9th-12th)

**B0993** 9:00 AM

Susan Lee

Course covers advanced algebraic and geometric concepts. 30 minutes will be devoted to providing tutorial/homework help in class each day.

Hwk.: 2 hr/class hr generally consisting of 30 problems twice a week and a 20 problem take home test every two weeks.

Parents will oversee homework grading, correcting, recording, and administer take home tests.

**Cost: \$168.00**

Prerequisite: Algebra 1 or equivalent. Diagnostic Test required for new DE students.

**Class Fees: \$5.00**

Supplies: Saxon Algebra 2 - 3rd Edition text, tests and answer key.

### Advanced Math (10th-12th)

**B0995** 9:00 AM

Debbie Liggett

This is the first semester of a two-semester course covering trigonometry, logarithms, analytical geometry, logic, statistics and upper-level algebraic concepts. Students will become proficient at using a graphing calculator.

Hwk.: 4-5 hr/wk generally consisting of approximately 30 problems twice a week and a 10 problem take home test or graphing calculator assignment.

Parents are responsible for overseeing homework grading, correcting, and recording as well as administering take home tests.

**Cost: \$168.00**

Prerequisite: Algebra 2 ; Diagnostic Test required for new DE students.

**Class Fees: \$5.00 Covers copies.**

Supplies: Saxon Advanced Mathematics - 2nd Edition text and answer key; Graphing calculator (Casio fx-9750G Plus, Texas Instruments TI-83 Plus or other models w/teacher approval.)

### Movies as Literature 2 (10th-12th)

**B0996** 9:00 AM

Dayna Oliver & MaryAnn Kirkland

Literature teaches. A well-written story appeals to our emotions. We find ourselves absorbing what it tells us is important in life and what behaviors are acceptable. This course is intended to help students understand the elements of good story-telling, identify and respond to messages even if they are not obvious at first, and to understand the techniques used by filmmakers to involve us emotionally as we watch. In this way, students will develop the ability to critique stories, whether on film or in print.

Students will learn to write using simple paragraph format and essay format as well. They will learn to brainstorm their ideas out making it simpler to write. We will be writing one research paper in the second semester and learning different styles of essays.

Hwk.: 1 hr/class hr consisting of vocabulary study and writing compositions. No parental grading responsibility

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers Study notebook.**

Supplies:

### Calculus (11th-12th)

**B0997** 9:00 AM

Marly Love

This course will focus on introducing calculus concepts, and continue to strengthen problem-solving skills using trigonometry, geometry, and algebra concepts.

Hwk.: 1.5 hr/class hr Homework each week generally consisting of approximately 25 problems twice-a-week and take home tests.

Parents will be responsible for overseeing homework grading, correcting and recording, as well as administering take home tests

**Cost: \$168.00**

Prerequisite: Saxon Advanced Math or equivalent.

Diagnostic Test required for new DE students.

**Class Fees: \$5.00 Covers copies.**

Supplies: Supplies: Saxon Calculus, 2nd edition, and answer keys, Graphing Calculator TI-83 Plus or TI84 or other models w/teacher approval as long as student is willing to adapt lesson to his calculator. The Solution Manual is highly recommended.

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### 1st Language Lessons from the Well (K-1st)

**B1005** 10:00 AM

Toy Parham

Grammar and writing skills for First and Second Grade using memory work, copying and dictation, narration and grammar rules.

Hwk.: 0.5 hr/class hr. Any copy work not finished in class, memorization practice.

Parents: Check spelling and copy work.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies.**

Supplies: Primary Journal - K-2nd grade stage 3, pencil

### Math 54 (4th-5th)

**B1045** 10:00 AM

Julie Bloom

4th grade level math course.

Hwk: 1 hr/class hr. Mon/Weds: Lesson Practice problems and/or Facts Practice problems not completed in class. Tues/Thurs: Lesson Warm Up, timed Facts Practice Test, Lesson Mixed Problem set (25-30 problems) Fri: 20 problem Study Test and timed Facts Practice Test

Parents will oversee the completion, checking and correction of all homework.

**Cost: \$120.00**

Prerequisite: Saxon 3 or mastery of 3rd grade math curriculum

**Class Fees: \$3.00 Student Binder and handouts**

Supplies: Saxon Math Homeschool 54 Kit (Third Edition) - includes 3 books; Student Text, Tests and Worksheets Manual, Solutions Manual. Pencil and eraser, lined or graph paper to work problems.

### Math 76 (5th-6th)

**B1056** 10:00 AM

Joanne Meadows

Math course up to prealgebra.

There will be about 2-3 hours of homework a week consisting of timed drills, oral exercises and 30 problems twice a week and a 20 problem take home test. In class quizzes and term/concept memorization will be added.

Parents will oversee homework, grading, correcting, recording, and administer take home tests.

**Cost: \$120.00**

Prerequisite: Math 65 or equivalent

**Class Fees: \$5.00 Covers copies.**

Supplies: Saxon Math 76 - 4th Edition Home school Kit; Parents must purchase complete Test/Worksheet Book.

### General Science (7th-8th)

**B1070** 10:30 AM

Charly Hudson

2 semester course covering the systematic introduction to sciences.

Homework: 2-3 hours a week including, reading, note-taking, some at-home lab work, lab reports (one per module), study questions, and test preparation

Parents are a vital part of this course and are responsible for overseeing completion of work and grading all assignments other than labs and exams.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$15.00 Covers experiment supplies.**

Supplies: Apologia "Exploring Creation with General Science" 2nd edition text, & solution/test manual & 1 composition notebook, 1 three-ring binder with paper, 9 subject dividers. NO spiral notebooks!

### Grammar 7 & 8 (7th-8th)

**B1071** 10:30 AM

Mary Ann Kirkland

We will review basic grammar and dive into intricate grammar, punctuation, and apply it to writing. We will have quizzes and tests.

There will be no grading required from parents.

**Cost: \$120.00**

Prerequisite: Basic knowledge of elementary grammar rules.

**Class Fees: \$10.00 Covers copies**

Supplies: 3 ring binder with dividers & Abeka Grammar & Comp-SBN or code # 138258 and cost is \$15.25

### MS Spanish (7th-9th)

**B1072** 10:30 AM

Yolanda Gambill

Students will learn vocabulary and grammar in Spanish. Students will participate in speaking, writing, listening comprehension, and reading in Spanish. Students will also learn about the many different Spanish-speaking countries and their culture.

Hwk.: 1 hr/class hr Students will study vocabulary each week. Students may have to finish a paper we talked about in class to practice grammar and vocabulary. There will be vocabulary tests on a weekly basis so it is important that students study each week.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$12.00 Handouts and rewards**

Supplies: Paper, binder, pencil, Spanish dictionary (optional)

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Physical Science (8th-9th)

**B1073** 10:30 AM

Suzanne Orr

Introduction to Physical Science. Topics will range from atoms to astrophysics.

Parents are a vital part of this course and are responsible for overseeing completion of work and grading all assignments other than labs and exams.

Homework: 1-2 hours per class hour, consisting of reading, lab reports, study questions, and test preparation.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$10.00 Covers experiment supplies and exam copies.**

Supplies: Supplies: Apologia Exploring Creation with Physical Science 2nd edition (text and solution/test manual); 3-ring binder (no spirals!) with paper.

### Astronomy and Geology (9th-12th)

**B1091** 10:30 AM

Debbie Liggett

The first semester of this high school level science will cover astronomy with an emphasis on how "the heavens declare the glory of God." Our studies will include the universe, space exploration and classical astronomy--the observation and study of the cycles of the sun, moon and stars.

Hwk.:3- 4 hr/wk consisting of independent reading, lab and field work, study questions, internet assignments and tests.

Parents will be responsible for overseeing homework and administering take- home tests.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$30.00 The class fee covers telescope, class visuals, copies and lab supplies.**

Supplies: Space and Earth Science (Vol A and B), BJU Press, 3rd edition, 3-ring notebook, pen or pencil, scientific calculator.

### U. S. Government (9th-12th)

**B1092** 10:30 AM

Jennifer Abelino

The course starts by learning about the various forms of civil government in the world. Students will examine the founding of the American Republic including a strong overview of its Constitution. From there, the class will take a more in-depth look at the three branches of government established by its early advocates along with a brief look at state government. The course will utilize materials from both the Abeka text and WallBuilders. If time permits, a comparative analysis of other governments around the world will be added.

Homework time is estimated to be 3 hrs/wk.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00**

Supplies: American Government in Christian Perspective, 2nd Edition by ABeka Book Publishers; 3 Ring Binder / Dividers / Pencil or Pen / E-mail

### Geometry (9th-12th)

**B1093** 10:30 AM

Susan Lee

Covering triangle congruence, postulates and theorems, surface area and volume, two-column proofs, vector addition, and slopes and equations of lines,

A separate geometry course is only needed if the student will not be going on to Advanced Math. Advanced Math and Calculus both include enough Geometry to not need a separate, dedicated Geometry course. DE only offers Geometry every other year.

Hwk.: 1 hr/class hr. Consisting of problems twice a week and a take home test every two weeks.

Parents will oversee homework grading, correcting, recording, and administer take home tests.

**Cost: \$168.00**

Prerequisite: Algebra 2

**Class Fees: \$5.00**

Supplies: Saxon Geometry Homeschool Kit

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Business Math (10th-12th)

**B1094**                      **10:30 AM**

Sandy Grim

This math class can be used for those students not wanting to take advanced math and calculus. This class will review fractions, decimals and formulas. It will also cover topics for personal and business finance. including stocks, bonds, mortgages, personal taxes, banking and financial statements. This course will help the student to better understand the basic fundamentals for managing home and business finances.

Homework will take 3-4 hours/week of problem solving and tests.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies.**

Supplies: Abeka Business Math Student Text # 67946 ---cost \$25.00 + shipping

### World History (10th-12th)

**B1095**                      **10:30 AM**

Denise Camba

Covers 1600 to the present day. Lectures are homework driven, so it is vital to complete the reading assignments and answer the questions before class. In-class time will reinforce homework material through lecture, discussion, quizzes and projects. Additional assignments will include short essays, map work and a research project with presentation.

A syllabus for homework assignments will be provided. Parents will administer take home tests and oversee homework assignments. Grading will be done by the teacher or TA.

Hwk.: 2.0 hr/class hr consisting of reading about 30 pages/week & answering questions, memorization, essays, research, tests and projects.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies & project boards**

Supplies: A Beka World History, 2nd Ed

### HS Spanish 1 (10th-12th)

**B1096**                      **10:30 AM**

Ginger Pattee

This college-preparatory class is vocabulary driven. We will master vocabulary, grammar, reading, writing, speaking and understanding Spanish with an incremental approach. Due to time constraints, we will also meet twice over the winter break.

Homework: Vocabulary memorization for weekly quizzes, homework exercises, simple written reports and auditory language lab assignments will require approximately 3-4 hours/wk.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$6.00 Covers test booklet**

Supplies: Abeka Por Todo El Mundo 1A and 1B, Vocabulary Manual & Spanish/English dictionary, Internet access, 3-ring binder with dividers.

### Movies as Literature (10th-12th)

**B1098**                      **10:30 AM**

Dayna Oliver

Literature teaches. A well-written story appeals to our emotions. We find ourselves absorbing what it tells us is important in life and what behaviors are acceptable. This course is intended to help students understand the elements of good story-telling, identify and respond to messages even if they are not obvious at first, and to understand the techniques used by filmmakers to involve us emotionally as we watch. In this way, students will develop the ability to critique stories, whether on film or in print.

Hwk.: 1.5 hr/class hr consisting of vocabulary study and writing compositions. No parental grading responsibility

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$5.00**

Supplies: Movies as Literature Student Workbook ISBN: 978-1-891975-12-7 - \$14.99 plus shipping

### Alphabet Island (K-1st)

**B1104**                      **11:00 AM**

Cindy Barkley

Class will be an introduction to letters and their sounds. Through the use of stories and songs the children are introduced to the letters and their sounds. These stories make the letters come alive and explain why they make different sounds at times, why some letters make the same sound, why is the "e" is sometimes silent. We will also learn how to form the letters and some basic spelling.

Hwk.: 0.5 hr/class hr. consisting of handwriting practice.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$15.00 Covers workbook, flash cards and copies**

Supplies: 3 ring binder and container to keep flash cards in

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### 1st Language Lessons from the Well (1st-3rd)

**B1123** 11:00 AM

Toy Parham

Grammar and writing skills for First and Second Grade using memory work, copying and dictation, narration and grammar rules.

Hwk.: 0.5 hr/class hr. Any copy work not finished in class, memorization practice.

Parents: Check spelling and copy work.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies.**

Supplies: Primary Journal - K-2nd grade stage 3, pencil

### El Sci I-Earth Science (2nd-4th)

**B1124** 11:00 AM

Julie Bloom

This semester we will be studying Creation, the Universe, the Solar System, Earth, the Moon, Rocks & Minerals and Weather.

There is no homework planned for this class. Parents are responsible for reviewing notebook pages.

**Cost: \$120.00**

Prerequisite: None

**Class Fees: \$15.00 Class Binder and experiment/activity supplies.**

Supplies: Teacher furnishing all supplies.

### El. Sci. II Earth & Space (4th-6th)

**B1146** 11:00 AM

Joanne Meadows

In Earth and Space, we will learn about the earth and its structure, the lithosphere, hydrosphere, atmosphere and weather, and will investigate the universe and its components. This is a year long study covering 24 lessons and 6 units. Students will be encouraged to build and maintain a science notebook as they learn.

Hands-on activities include building a model of the earth and its layers, using eggs to understand plate tectonics, and simulating a volcanic eruption. Class supplies must be brought to each class.

Hwk.: 2.0 hr/class hr Homework will consist of reading assignments, lists and vocabulary memorization, take home tests and projects best completed in the home environment.

Parents will be responsible for administering take home tests and will ensure their child's homework assignments are completed and returned in a timely manner.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies.**

Supplies: Christian Kids Explore Earth & Space Textbook by Stephanie Redmond (Bright Ideas Press) Amazon.com sells new textbooks for \$19.77.

### General Science (7th-8th)

**B1171** 11:30 AM

Charly Hudson

2 semester course covering the systematic introduction to sciences.

Homework: 2-3 hours a week including, reading, note-taking, some at-home lab work, lab reports (one per module), study questions, and test preparation

Parents are a vital part of this course and are responsible for overseeing completion of work and grading all assignments other than labs and exams.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$15.00 Covers experiment supplies.**

Supplies: Apologia "Exploring Creation with General Science" 2nd edition text, & solution/test manual & 1 composition notebook, 1 three-ring binder with paper, 9 subject dividers. NO spiral notebooks!

### Physical Science (8th-9th)

**B1174** 11:30 AM

Suzanne Orr

Introduction to Physical Science. Topics will range from atoms to astrophysics.

Parents are a vital part of this course and are responsible for overseeing completion of work and grading all assignments other than labs and exams.

Homework: 1-2 hours per class hour, consisting of reading, lab reports, study questions, and test preparation.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$10.00 Covers experiment supplies and exam copies.**

Supplies: Supplies: Apologia Exploring Creation with Physical Science 2nd edition (text and solution/test manual); 3-ring binder (no spirals!) with paper.

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### U S History (9th-12th)

**B1191** 11:30 AM

Denise Camba

Covers the years 1861 to the present day. Class work will consist of lecture, discussion, note taking, timeline & map work, quizzes and oral presentations to reinforce the material that students are covering at home.

Hwk.: 2.0 hr/class hr Students will be reading the text, answering and/or reviewing questions to prepare for in-class discussion, and creating timeline figures. Additional assignments will include short essays, memorization work and oral presentations. A syllabus for homework assignments will be provided. Parents will be required to administer the take home tests and all grading will be done by the teacher & TA.

Homework will average 3-5 hours/week consisting of reading about 30 pages/week, answering section reviews, timeline & map work, memorization, essays, research and take home tests."

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies & project boards**

Supplies: Abeka US History: Heiritage of Freedom, Ed 2

### American Sign Language (9th-12th)

**B1192** 11:30 AM

Sherri Lewis

ASL University lesson plans & resources will be used to study and use American Sign Language. Some practical lab experiences may include involvement from the deaf community and special projects. An Internet curriculum, [www.Lifeprint.com](http://www.Lifeprint.com) (ASL University), will be used. It is imperative that each student has Internet access!

An hour of homework per class on average.

**Cost: \$120.00**

Prerequisite: Internet access is a must!

**Class Fees: \$24.00**

Supplies:

### American Literature (10th-12th)

**B1195** 11:30 AM

Ginger Pattee

On this adventure, we will cover fantastic short stories, poetry and novels. Students will also choose one novel from a list of teacher-selected classics each semester. We will produce essays, presentations, portfolios and more!

Homework will consist of: Completion of worksheets, short essays, extensive reading, poetry memorization, and 1 or 2 projects. 3-4 hrs/wk.

**Cost: \$120.00**

Prerequisite: Upper high school reading level. Students must be able to develop an idea in a well-written, coherent and unified paragraph with a topic sentence, supporting details, and a conclusion.

**Class Fees: \$15.00 Copies, printer cartridges, rewards, and a copy of Great American Short Stories.**

Supplies: 3-ring binder with dividers, The Scarlet Letter by Nathaniel Hawthorne, and The Adventures of Huckleberry Finn by Mark Twain, computer for typing and printing essays; internet access

### Chemistry A.M. (10th-12th)

**B1196** 11:30 AM

Susan Lee

Basic foundation in chemistry. Material will be presented through lecture, independent study and lab work. Chem lab must be registered for concurrently at 1:00 either day.

4 hours of homework each week consisting of independent reading, some lab work, study questions and tests.

**Cost: \$168.00**

Prerequisite: Completed or currently taking Algebra 2

**Class Fees: \$0.00**

Supplies: Abeka "Chemistry: Precision and Design" 2nd Edition text and lab manual.

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### HS Essays (10th-12th)

**B1197** 11:30 AM

Dorlisa Thrower

The Elegant Essay: Building Blocks for Analytical Writing

This class will walk the high school student through the entire essay-building process. From captivating introductions, to compelling descriptions and convincing conclusions, students learn to bring their words and their arguments to life. With explanation and practice exercises, it is an excellent extension and refinement of IEW Essays Continuation Course B, although no previous IEW experience is necessary to take this class. We will also work on a Fix-It Grammar assignment each day.

**HWK.:** 1.5 hr/class hr Various writing assignments

Parents will be responsible for checking student's work before it is turned in for grading.

**Cost: \$120.00**

**Prerequisite:** This is IEW curriculum, but no prior experience is necessary for this class. It does follow next on the schedule if you have taken the Essay Writing Continuation Course.

**Class Fees: \$35.00 Covers Student Book (supplied by teacher) and copies.**

**Supplies:** 1" binder (If you already have one from previous IEW classes, feel free to continue using that one), paper, pen/pencil, highlighter and spiral notebook.

### Understanding the Times (Adults)

**B1199** 11:30 AM

Dayna Oliver

An understanding of the six major worldviews of our society: Biblical Christianity, Secular Humanism, Marxist-Leninism, Cosmic Humanism, Postmodernism, and Islam. You will learn the impact each of these has had on several aspects of culture including theology, history, biology, ethics, law, politics, etc. so that you are equipped with the ability to understand the times that we are living in. I Chron. 12:32 Class time is spent viewing lectures of Summit Ministry instructors and discussing questions from the sections, essays, and videos.

**HWk.:** 2.0 hr/class hr consisting of reading and highlighting textbooks to be able to discuss textbook, essay, and video questions in class.

**Cost: \$120.00**

**Prerequisite:**

**Class Fees: \$0.00**

**Supplies:** Understanding the Times Textbook. Cost for the Textbook is \$21.95

### El. Sci. II Earth & Space (4th-6th)

**B1246** 12:30 PM

Joanne Meadows

In Earth and Space, we will learn about the earth and its structure, the lithosphere, hydrosphere, atmosphere and weather, and will investigate the universe and its components. This is a year long study covering 24 lessons and 6 units. Students will be encouraged to build and maintain a science notebook as they learn.

Hands-on activities include building a model of the earth and its layers, using eggs to understand plate tectonics, and simulating a volcanic eruption. Class supplies must be brought to each class.

**HWk.:** 2.0 hr/class hr Homework will consist of reading assignments, lists and vocabulary memorization, take home tests and projects best completed in the home environment.

Parents will be responsible for administering take home tests and will ensure their child's homework assignments are completed and returned in a timely manner.

**Cost: \$120.00**

**Prerequisite:**

**Class Fees: \$10.00 Covers copies.**

**Supplies:** Christian Kids Explore Earth & Space Textbook by Stephanie Redmond (Bright Ideas Press) Amazon.com sells new textbooks for \$19.77.

### Grammar & Composition (5th-6th)

**B1256** 12:30 PM

Mary Ann Kirkland

Learning grammar concepts and how to use them with writing. Learning to love to read and using that with writing. How to express reading comprehension through reports.

Homework will consist of grammar work along with reading a couple of books. Time will vary from one to two hours a week, depending upon student's reading ability.

**Cost: \$120.00**

**Prerequisite:**

**Class Fees: \$10.00 Covers copies.**

**Supplies:** Abeka Language C- SBN or code# 67733 cost is \$14.00

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Math 3 (2nd-4th)

**B1313** 1:30 PM

Sandy Grim

This is a 2 day/week, 2 semester course. First topics include: telling time, reading a graph, addition/subtraction of 2 digit numbers, story problems, measuring, intro to fractions, multiplying, and perimeter calculations.

Homework: 2 assignments/week plus an Assessment every other week. About 1 hour of work.

**Cost: \$120.00**

Prerequisite: Must be able to read, write & count numbers to 100.

**Class Fees: \$5.00 Covers copies.**

Supplies: Saxon Math 3 Work Book Part 1/Part 2 includes math fact cards

### El Sci I-Earth Science (2nd-4th)

**B1324** 1:30 PM

Julie Bloom

This semester we will be studying Creation, the Universe, the Solar System, Earth, the Moon, Rocks & Minerals and Weather.

There is no homework planned for this class. Parents are responsible for reviewing notebook pages.

**Cost: \$120.00**

Prerequisite: None

**Class Fees: \$15.00 Class Binder and experiment/activity supplies.**

Supplies: Teacher furnishing all supplies.

### Beg. Grammar & Comp. (3rd-4th)

**B1334** 1:30 PM

Mary Ann Kirkland

Learning the basics of grammar starting with sentence structure, punctuation, capitalization rules, and starting the parts of speech.

Hwk.: 0.5 hr/class hr. Review & complete what was covered in class each day.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies.**

Supplies: Abeka Language A - SBN or code#98752 Cost of book is \$14.00

### El. Sci. II Earth & Space (4th-6th)

**B1346** 1:30 PM

Joanne Meadows

In Earth and Space, we will learn about the earth and its structure, the lithosphere, hydrosphere, atmosphere and weather, and will investigate the universe and its components. This is a year long study covering 24 lessons and 6 units. Students will be encouraged to build and maintain a science notebook as they learn.

Hands-on activities include building a model of the earth and its layers, using eggs to understand plate tectonics, and simulating a volcanic eruption. Class supplies must be brought to each class.

Hwk.: 2.0 hr/class hr Homework will consist of reading assignments, lists and vocabulary memorization, take home tests and projects best completed in the home environment.

Parents will be responsible for administering take home tests and will ensure their child's homework assignments are completed and returned in a timely manner.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies.**

Supplies: Christian Kids Explore Earth & Space Textbook by Stephanie Redmond (Bright Ideas Press) Amazon.com sells new textbooks for \$19.77.

### Russian History (7th-12th)

**B1377** 1:00 PM

Kira Mangum

This is a part of a three year world history course that will focus on one country per semester to give an extensive overview of major events throughout the past 1000 years. The Russian class will start with the reign of Ivan the Terrible and go through the Revolution and beginnings of communism. Semester 2 of this year will cover French History.

Hwk.: 1 hr/class hr There will be a research paper due that should be worked on throughout the semester. Any work not finished in class (which should be minimal) will have to be finished at home.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$15.00 Covers Sketch book for timeline, teacher supplied curriculum and copies**

Supplies: Section in binder for papers

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Biology 1:00 (9th-12th)

**B1393** 1:00 PM

Debbie Liggett

First semester of high school level biology, designed to give students an overview of the majesty and complexity of God's creation.

Hwk.: 3-4 hr/wk consisting of independent reading, some lab work, study questions and tests.

Parents are responsible to oversee, grade and correct homework and to administer take-home tests.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$25.00 Covers hand-outs, class visuals and lab supplies.**

Supplies: Apologia "Exploring Creation with Biology", 2nd edition text and solution and test manual. 3 ring binder, pen or pencil, paper.

### High School English (9th-12th)

**B1394** 1:00 PM

Ginger Pattee

This 2-semester course will offer grammar, tools and tips for taking the timed SAT essay exam, editing skills, advanced note taking skills, composition, and more.

Homework will consist of: Completion of worksheets, short essays, assigned reading, 1 or 2 projects. 3-4 hrs/wk.

**Cost: \$120.00**

Prerequisite: High school reading level. Students must be able to identify the basic parts of speech and write a basic paragraph with a topic sentence, supporting details, and a conclusion.

**Class Fees: \$30.00 Copies, curriculum fee, and grammar handbook.**

Supplies: 3-ring binder with dividers, computer for typing and printing essays; internet access

### Adv Bio/Anatomy & Physiology (10th-12th)

**B1395** 1:00 PM

Charly Hudson

2 semester course covering the Anatomy and Physiology of the Human Body.

4-5 hours per week including reading, note-taking, some at-home lab work, lab reports (at least one per module), scientific journal research, study questions, test preparation, and some take-home tests.

Parents are responsible for oversight of students work and grading all work except for lab reports, tests, an journal research.

**Cost: \$168.00**

Prerequisite: Biology & Chemistry

**Class Fees: \$25.00 Covers lab supplies & anatomy diagrams.**

Supplies: Apologia "The Human Body; Fearfully & Wonderfully Made" text, & solution/test manual. 1 composition notebook, 3-ring binder with loose paper, 9 subject dividers, pen, pencil, colored pencils with small sharpener. NO spiral notebooks!

### Physics (11th-12th)

**B1397** 1:00 PM

John Tyler

College preparatory physics course, focusing on the underlying principles that govern God's Creation. Students will be challenged to consider how the ordered interaction of all created things prove that our God is a master Designer.

Classroom activities will include in-depth discussion, advanced problem solving and scientific methodology. 3-4 hours/week of homework consisting of reading, answering questions, problem solving, and lab reports.

Parents are responsible for overseeing homework completion and grading assigned problems.

**Cost: \$168.00**

Prerequisite: Algebra 2

**Class Fees: \$20.00 Covers copies & lab supplies.**

Supplies: Apologia Exploring Creation with Physics Text and Solutions Manual 2nd edition, 3 ring binder, 8 dividers, pencils/pens, calculator.

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### Texas History (7th-9th)

**B1471** 2:00 PM

Michelle Anderson

We will learn about Texas history from 1492 to the present day, and discover the hand of God in the lives of the people of our state and history. Each week the students will receive fun, newspaper like handouts with the information we will be covering for the week.

Hwk: 1 hr/class hr Reading and answering questions in weekly curriculum handouts, Reaction Questions, TX related handouts and maps, some vocabulary, studying for quizzes and tests, and there will be up to 2 fun class projects per semester.

Parents are asked to oversee the completion of their student's homework.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$25.00 Covers student curriculum will be purchased by the teacher, copies, project boards, and additional items needed for class.**

Supplies: 3 Ring binder or folder for class, a spiral or composition notebook for class notes, colored pencils for maps, and 3 X 5 note cards

### Biology 2:00 (9th-12th)

**B1491** 2:00 PM

Debbie Liggett

First semester of high school level biology, designed to give students an overview of the majesty and complexity of God's creation.

Hwk.: 3-4 hr/wk consisting of independent reading, some lab work, study questions and tests.

Parents are responsible to oversee, grade and correct homework and to administer take-home tests.

**Cost: \$168.00**

Prerequisite:

**Class Fees: \$25.00 Covers hand-outs, class visuals and lab supplies.**

Supplies: Apologia "Exploring Creation with Biology", 2nd edition text and solution and test manual. 3 ring binder, pen or pencil, paper.

### French 1 (9th-12th)

**B1492** 2:00 PM

Vicky Dobbs

First year French using Bob Jones curriculum (first edition). Students will learn basic conversation skills, vocabulary, grammar and Bible verses. Some culture and geography will be covered. This is a two-semester course.

Students are responsible for their homework. They should plan on about 3 hours per week. Parents will not be asked to grade the homework no need to know French, but are asked to hold the student accountable for doing the homework.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$7.00 The suppCovers copies of worksheets and tests.**

Supplies: Supplies (besides pen/pencil and notebook): Bob Jones French 1 first edition, index cards, French/English dictionary.

### Chemistry P.M. (10th-12th)

**B1493** 2:00 PM

Susan Lee

Basic foundation in chemistry. Material will be presented through lecture, independent study and lab work. Chem lab must be registered for concurrently at 1:00 either day.

4 hours of homework each week consisting of independent reading, some lab work, study questions and tests. A science project is required in the

**Cost: \$168.00**

Prerequisite: Completed or currently taking Algebra 2

**Class Fees: \$0.00**

Supplies: Abeka "Chemistry: Precision and Design" 2nd Edition text and lab manual.

# Dominion Equippers' Fall 2010

## Monday and Wednesday

### HS Spanish 2 (10th-12th)

**B1494**                      **2:00 PM**

Ginger Pattee

First semester of a two-semester course. To prepare students for college-level work, this class will focus on grammar, writing, and pronunciation. Due to time constraints of our semester, students will need to use the weeks before class begins to cover the review material (Repasos A-D) prior to Chapter 1. We will also meet twice over the winter break.

Homework will consist of: Vocabulary memorization, exercise completion, language lab, projects, and paragraph composition; 3-4 hrs/wk.

**Cost: \$120.00**

Prerequisite: Satisfactory completion of High School Spanish I (70% or higher)

**Class Fees: \$6.00 Covers test booklet**

Supplies: Abeka Mas Que Vencedores 2A, 2B, Vocabulary Manual, 3-ring binder with pockets or dividers, internet access, Spanish/English dictionary

### Health & First Aid (10th-12th)

**B1495**                      **2:00 PM**

Carrie Sonner

This one semester class meets the requirements for high school credit and is designed to provide students with a thorough understanding of all aspects of health including physical, mental, and social health issues with an emphasis on safety and first aid. Students will learn and put into practice the basis for a safe healthy lifestyle based upon scriptural principles.

Hwk.: 1 hr/class hr Weekly homework may include, chapter reading, some simple worksheets, test preparation, extra-credit challenges and a few interesting assignments throughout the semester.

Parents will be required to oversee the completion of their student's homework. All grading will be done by the teacher. Parents can choose to opt out of receiving grades for their student.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$10.00 Mostly copies and some class supplies**

Supplies: Total Health by Susan Boe ISBN 978-1-58331-226-1

### Understanding the Times (10th-12th)

**B1499**                      **2:00 PM**

Dayna Oliver

Understanding the Times is a two semester video-based curriculum for 10th - 12th grade that brings a host of Christian worldview and apologetic experts into the classroom. This class will help students clearly understand the tenets of the Christian worldview and how it compares with the tenets of other leading worldviews of our day: Islam, Secular Humanism, Marxism, New Age, and Postmodernism. Some of the issues covered include: abortion, apologetics, the arts, biotechnology, critical thinking, cults, euthanasia, leadership, radical environmentalism, radical feminism, the problem of evil, religious pluralism, scriptural reliability, and more.

Hwk.: 2.0 hr/class hr consisting of reading textbook and essays within the study guide. Answering unit, essay, and video questions found within the study guide.

**Cost: \$120.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies of the tests**

Supplies: Understanding the Times Textbook and Student Manuel. Cost for the Textbook is \$21.95, Student Manuel is \$14.95 plus shipping.

### Homework Room M09 (1st-12th)

**M0900**                      **9:00 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Let's Learn Science (K-1st)

**M0911**                      **9:00 AM**

Lynnette Lambert

This class will be a fun hands-on introduction to science and the scientific process.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers supplies & copies.**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### Window on the World (2nd-3rd)

**M0923**                      **9:00 AM**

Laura Edmondson

The class will introduce maps, cultures, and people groups around the world. We will listen to music from different cultures, learn about persecuted Christians, and learn to pray scriptural prayers for the nations. The book "Window On The World" will be our guide.

Hwk.: 0.5 hr/class hr consisting of reading and memorizing scripture assignments and will be given small prayer assignments.

Parents are responsible for assisting their child in memorizing and praying the scripture assignment.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$9.00 Covers Copies, class resources such as maps, Voice of the Martyr's study guides, and art supplies.**

Supplies:

### Reading-Where The Red Fern Grows (4th-6th)

**M0945**                      **9:00 AM**

Michelle Anderson

Where The Red Fern Grows is a novel by Wilson Rawls, which tells about the experiences of a young boy named Billy and his dreams of owning two coon hounds. Billy learns about life, death and prayer while owning these dogs, and we will see the strength, love, and faith of Billy and his family as we read through this book. Even if your student has read this book before, they will enjoy reading it again and learn even more about the story and the characters using the Total Language Plus Curriculum. The TLP curriculum covers reading comprehension, spelling, vocabulary, and some writing. In class we will strengthen our reading comprehension, spelling, vocabulary, and writing through classroom games and exercises.

Hwk: 1 hr/class hr (depending on reading speed) consisting of reading the story each week, and students will receive a Homework packet covering 2-3 chapters at a time where they will answer written comprehension questions, practice spelling, and vocabulary.

Parents are asked to oversee the completion of their student's homework, and grade their weekly spelling pre-test. All additional grading will be done by the class VP and teacher.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$17.00 Covers Total Language Plus Student Curriculum Packet, copies, and additional class supplies.**

Supplies: 1" 3 Ring Binder for curriculum, 3x5 cards, a spiral or composition notebook

### Great Composers (4th-6th)

**M0946**                      **9:00 AM**

Reyth Garcia

This class will cover the great composers across the centuries! How did ordinary people write extraordinary music? How did a deaf man write a symphony? How did someone who was rejected by his peers write music that changed the course of music history? This class will cover two semesters with different composers in each semester, however, the semesters may also be taken separately.

Hwk.: 1 hr/class hr

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Covers copies,& rewards**

Supplies:

### Drawing & Design (4th-6th)

**M0948**                      **9:00 AM**

Jennifer Parham

Students will study how line, shadow, and highlights can be applied to paper to create the illusion of a 3 dimensional form. We will also learn design principles such as focal point, pattern, and simple color theory to create fun and pleasing compositions.

About 1 hour of homework per week for practicing and finishing assignments.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Covers paper, paint, brushes, drawing tools, and copies, etc.**

Supplies: A portfolio or large folder for keeping track of drawings as large as 12 x 18.

### Homework Room 1 M10 (1st-6th)

**M1001**                      **10:00 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 M10 (7th-9th)

**M1002**                      **10:30 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### Homework Room 3 M10 (10th-12th)

**M1003**                      **10:30 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 M10 (7th-12th)

**M1004**                      **10:00 AM**

Special 30 minute homework time for upper level students in classes ending at 10:00 and needing a class place until 10:30. Students are required to bring something to work on or to read during this time.

**Cost: \$0.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Preschool for 4's & 5's (PK4-K)

**M1005**                      **10:00 AM**

Stephanie Bingham & Nora Wright

Preschool will be structured like a Head Start Program where the children will be introduced to the alphabet (letter recognition) and phonics (letter sounds), numbers and recognition, hands on science, Bible time and discussion, and life skills (motor skills, calendar, critical thinking of concrete and abstract ideas, team work, social skills). This class will be offered from 10:00 AM to 2:00 PM Mondays and Wednesdays with a 30 minute lunch starting at 12:00. Either day or both days may be registered for.

**Cost: \$160.00**

Prerequisite: Children must be four years old by August 1st or by interview if three years old

**Class Fees: \$20.00 Covers supplies.**

Supplies: Beginners pencil (the fat ones), eight count fat Crayola crayons, big pink eraser, pencil case, and lunch with a drink.

### Drawing & Design (1st-3rd)

**M1012**                      **10:00 AM**

Jennifer Parham

Children will be introduced to the basics of art and design through a range of projects including the study of lines, shadows, patterns, and color mixing to create fun and pleasing images.

Hwk.: 0.5 hr/class hr. will sometimes be needed to finish projects.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Covers paper, paint, brushes, drawing tools, and copies, etc.**

Supplies: A folder for keeping track of projects.

### Inventors & Scientists (2nd-4th)

**M1024**                      **10:00 AM**

Kira Mangum

Each week we will learn about one scientist or inventor and do a project or see a demonstration showing how their invention works. It will be a fun hands on way to learn about what life was like before some of the things we take for granted now.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Covers the supplies for the project/crafts**

Supplies: crayons

### Elementary Voice (4th-6th)

**M1046**                      **10:00 AM**

Reyth Garcia

Students in this class will learn basic elements of breathing, pitch, rhythm and diction. Each student will learn to become a better singer by applying these techniques to various vocal literature such as patriotic songs, folk songs, and inspirational songs. The class' hard work will be showcased on Finale Night

Hwk.: 1 hr/class hr Students will practice concepts learned in class and work on memorizing songs for the final presentation.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$8.00 Covers copies.**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### Intro to Theater (4th-6th)

**M1047**                      **10:00 AM**

Jesi Abernathy

Students will receive a well rounded introduction to theatre arts and acting. Children will learn to express themselves creatively and dramatically through movement, expressions and body language. They will investigate the history of acting and dramatic storytelling, emphasizing the importance of pretend play and imitation. They will be introduced to basic theatre arts, including improvisation, characterization, directing, blocking, costuming, stage make-up and memorization techniques. Students will enjoy exciting games, lots of class participation and freedom of expression.

There will be an optional family field trip to attend a professional performance.

Homework will consist of very easy creative assignments & learning lines. 0-30 min/week.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$6.00 Covers copies.**

Supplies: Paper & pencil

### Fahrenheit 451 (9th-12th)

**M1091**                      **10:30 AM**

Joanne Palmer

Fahrenheit 451 was written by Ray Bradbury and is set in the a future where books (knowledge) have been banned. The star of the book is Guy Montag, a firefighter, who is against the clock to save society from self-destruction. The subject of the book is about the censorship of all ideas, which eliminates the free exchange of any idea. Parents you need to know that the author used inappropriate language.

Homework will take 60 min weekly....depending on the student.

There will be reading and writing assignments every week.

One major paper. Class participation/discussion is a major portion of the class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$7.00 Covers copies.**

Supplies: Bible, a copy of Fahrenheit 451, binder/folder to hold hand-outs

### Equipping the Younger Saints (Adults)

**M1099**                      **10:30 AM**

Laura Edmondson

The purpose of this class is to encourage and strengthen each other in raising Godly children. The book "Equipping the Younger Saints" will be explored in light of raising our children with a passion for Jesus. Time will be set aside for worship and for praying for one another.

Hwk.: 0.5 hr/class hr consisting of spending time seeking God with our children.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$6.00 Covers a book & copies.**

Supplies: Bring a journal and a Bible.

### Homework Room 1 M11 (1st-6th)

**M1101**                      **11:00 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 M11 (7th-12th)

**M1102**                      **11:30 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### Book Arts (4th-6th)

**M1148**                      **11:00 AM**

Jennifer Parham

Students will learn about book binding and relief and silk screen printmaking for the use of illustrating a scripture, song, poem, or short story. They will bind the completed prints along with the text in their own handmade book for the final project.

Homework may take about 2 hours some weeks for finding reference and completing projects.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$20.00 Various printmaking supplies, paper, ink, boards, etc.**

Supplies: Students will need a decorative material of their choice by the 7th week of class for covering their book. This may be a piece of fabric, decorative paper, or a collage of items that can be glued flat to the book cover.

### Intro to Essays 56 (5th-6th)

**M1156**                      **11:00 AM**

Angela Moore

We will be using the Excellence in Writing curriculum which will include a brief grammar review. Writing assignments and reinforcement exercises will follow class lessons.

Hwk.: 1 hr/class hr When assigned, homework will take 45 minutes to one hour to complete. The teacher will supply all source material.

All written work is expected to be assisted and edited by parents before it is turned in for grading. A checklist will be given along with each assignment to assist parents and students.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers source material, copies, etc.**

Supplies: 1 ½ " binder, 5 tabs, notebook paper

### Creative Writing (7th-12th)

**M1173**                      **11:30 AM**

Kira Mangum

In this class students will be exposed to various styles of creative writing and get the opportunity to experiment with each.

Hwk.: 0.5 hr/class hr. They will have to finish what is started in class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies**

Supplies: Binder to keep class papers in

### Current Events (7th-12th)

**M1175**                      **11:30 AM**

Sarah Pinero

We will discuss current events from a Biblical Worldview. Students are required to bring 2-3 current events each week. Typically, an International and National article. The articles need to be pre-read and understood to facilitate a thorough discussion of the topic. We will do geography each week as we look to maps to look up the different locations that are discussed. The students are required to re-tell about the article (not read it word per word in class) as well as participate in a discussion about their article and also their classmates articles. The student MUST have access to either a newspaper, news magazines, and/or the internet. There will be a test at the end of each semester over the articles discussed.

Class can be given a 1/4 credit for Social Studies per semester.

Homework is about an hour a week. Finding and reading the articles."

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies, rewards, etc.**

Supplies:

### Informal Approach to Public Speaking (8th - 12th)

**M1181**                      **11:30 AM**

Joanne Palmer

Students will learn the impromptu, demonstrative, informational & persuasive speeches. Additionally, students will learn why

effective speech is important, how to prepare a speech and how to

deliver the speech so others will listen. This class will prepare

your student for the Introduction to Debate course offered next semester.

Homework will take 30-60 minutes/week preparing speeches &

oral interpretations. High School: 1/2 Speech Credit.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$7.00 Covers copies.**

Supplies: 3 ring binder

# Dominion Equippers' Fall 2010

## Monday

### Music Appreciation (10th-12th)

**M1196** 11:30 AM

Reyth Garcia

This class will focus on the history of music as well as introducing basic music terminology and elements. The course will deal with Ancient, Renaissance, Baroque, Classical, Romantic and Twentieth Century periods. This is a two semester class that will fulfill the 1 credit of Fine Arts. The semesters may also be taken separately for .5 credit.

Hwk.: 2.0 hr/class hr Approximately 2-3 hours per week for reading and written assignments. One biographical essay will be required for a final project each semester.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Copies**

Supplies:

### Homework Room 1 M12 (1st-6th)

**M1201** 12:30 PM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Math Fun (K-1st)

**M1206** 12:30 PM

Cindy Barkley

We will use games and songs to introduce numbers and math concepts such as sequencing, greater than and larger than, skip counting and fractions.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers games.**

Supplies:

### Edible Alphabet (K-1st)

**M1211** 12:30 PM

Lynnette Lambert

Each week will be a new letter with a story and a yummy no-bake recipe that the children will make and eat themselves. A fun way to reinforce letter recognition.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Covers supplies**

Supplies:

### 1-2-3 . . . Music! (1st-3rd)

**M1216** 12:30 PM

Reyth Garcia

Students will learn basic music concepts through the use of songs, acapella singing, rhythm exercises, and solfege hand signs. This class builds upon itself, so beginners are welcome as well as those returning from a previous class

Hwk.: 1 hr/class hr Practice concepts learned in class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies.**

Supplies:

### Discovering Great Artists (2nd-3rd)

**M1223** 12:30 PM

Toy Parham

Fun and unique art activities for children to experience the styles and techniques of the great masters, from the Renaissance to the present. A brief biography of each artist and a correlating art activity.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Art supplies and copies.**

Supplies: A notebook with 13 plastic sheet protectors.

### United States Tour (4th-6th)

**M1246** 12:30 PM

Yolanda Gambill

Students will learn about a different state from the United States each week. They will learn about the fascinating history and people. Students will learn interesting facts about each state. We will cover 12 states the first semester, 13 states the second semester and then we continue learning about the other 25 states the next year.

Hwk.: 0.5 hr/class hr. Students will have homework assignments a few times each semester. At times students may be asked to write a 1-2 page paper. Another time students may have a handout to finish at home. There is not homework assigned each week.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies, rewards, and different items for crafts.**

Supplies: Paper, binder, pencil, and crayons or colored pencils

# Dominion Equipppers' Fall 2010

**Class Fees: \$0.00**

Supplies:

### Reading Games (K-1st)

**M1305** 1:30 PM

Pk Francis

A variety of fun games to improve and polish reading skills. The class will work on phonetic blends and dolche sight words.

This class is scheduled for 2 days each week, but can be registered for individually as a one day/week class on either Monday or Wednesday.

Hwk.: 0.5 hr/class hr. Practicing some repetitions in phonics, sight words, reading and writing.

**Cost: \$60.00**

Prerequisite: Need to be proficient in letter recognition and single letter phonic sounds.

**Class Fees: \$5.00 Covers copies.**

Supplies:

### Fun Motor Skills (PK4-K)

**M1311** 1:30 PM

Lynnette Lambert

In this class we will be fine tuning motor skills that we as adults take for granted. We will focus on our fine motor skills with exercises like holding pencils and using scissors, but we will also work on our large motor skills with ball play and games.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers supplies.**

Supplies:

### Speaking Spanish (4th-6th)

**M1347** 1:30 PM

Yolanda Gambill

Students will learn Spanish through vocabulary, games, activities, and worksheets. Students will learn basic vocabulary and grammar. They will engage in listening comprehension as well as reading, writing, and speaking in Spanish. Students will also learn about the culture of Spanish-speaking countries.

Students will have no more than 30 minutes of homework a week. Students will need to study vocabulary and at times finish a paper that we talked about in class. There will not be homework each week.

**Cost: \$60.00**

Prerequisite: None

**Class Fees: \$10.00 Copies and rewards**

Supplies: Paper, binder, pencil, crayons or colored pencils

### Intro To Essays (7th-9th)

**M1373** 1:00 PM

Dorlisa Thrower

The class will use the Excellence in Writing curriculum. Lessons are given in class followed by writing assignments and reinforcement exercises. Parents are expected to provide help as needed and edit written work before it is turned in for grading (a checklist is provided for each assignment to assist in this).

We will also work on a Fix-It Grammar assignment each day. Writing assignments will not be given each week, but when given should take approximately 1 hour to complete.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$18.00 Covers copies of curriculum.**

Supplies: 1" binder, notebook paper, pen/pencil, highlighter and spiral notebook

# Dominion Equippers' Fall 2010

## Monday

### Time Management & Study Skills (7th-9th)

**M1375**                      **1:00 PM**

Suzanne Orr

This class is designed to help you, the Jr. High student, establish successful practices in your academic and personal life. Learn how to create a personal mission statement, set goals and priorities, and use a planner. Determine your ideal study environment, evaluate your learning style, and improve your note-taking, studying, and test-taking skills. Lecture will be combined with practical application.

Hwk.: 1 hr/class hr. Varies

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers primarily copies.**

Supplies: "1-inch 3-ring binder with 5 dividers; A planner of the student's choosing (daily or weekly style)"

### MS Theater Arts (7th-9th)

**M1376**                      **1:00 PM**

Jesi Abernathy

Students will receive a well rounded introduction to theatre arts and acting. They will investigate theatre history, improvisation, characterization, directing, blocking, technical theatre, costuming, stage make-up and memorization techniques. Students will enjoy exciting games, lots of class participation and freedom of expression.

Students will be able to develop their acting and performance skills in a safe, nurturing environment. They will be encouraged to take full creative license and express themselves in a way that's comfortable and easy for them. The class will build to a final performance. There will also be an optional family field trip to a professional performance.

Homework will consist of very easy creative homework assignments and learning lines. 0-30 min/week on average.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$6.00 Covers copies.**

Supplies:

### Intro to Sociology (9th-12th)

**M1393**                      **1:00 PM**

Jennifer Abelino

The course goal is to understand sociology from a Biblical perspective. Readings and instruction focus on differentiating science from the psycho-babble of new age humanism.

Hwk.: 2.0 hr/class hr consisting of reading, reviewing class materials, journal writing, answering questions & identifies.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies of class materials & audio/video material**

Supplies: Spiral notebook for class, 3-ring binder, Email, pen, pencil & paper

### Titus 2 Biblical Home Ec. (9th-12th)

**M1394**                      **1:00 PM**

Angela Wadsworth

We will be working through a biblical/home ec. program based on the Titus 2:3-5 scripture. We will cover a new subject each week including: Kindness, Purity, Hospitality, Etiquette, Loving your parents, Loving your friends, Budgeting, Home Management. We will be sharing biblical principles for Godly living as young women, as well as creating practical ways of making a home through economical decorating ideas, easy recipes, simple budgeting, party etiquette, etc.....

Hwk.: 0.5 hr/class hr. Very light homework each week with various exercises depending on the lessons, such as light bible reading, researching prices of food, evaluating recipes, keeping an easy budget, etc.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Handouts, flowers/centerpieces, cloth napkins, recipe cards, invitations and place cards.**

Supplies: 3 ringed 1" binder with dividers, Pen/Pencil.

Teacher will supply all other materials.

### Chemistry LAB for PM Class (10th-12th)

**M1395**                      **1:00 PM**

Susan Lee

Chemistry Lab is an extra hour each week and is required for Chemistry. This lab is for the 2:00 Chemistry class.

**Cost: \$0.00**

Prerequisite:

**Class Fees: \$40.00 Covers lab supplies.**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### Economics (10th-12th)

**M1398**                      **1:00 PM**

Laura Edmondson

This fast paced and interactive class will evaluate current events in light of the science of economics. The class is designed to take economic terminology and theory and apply it to relevant world events. Those who are planning to pursue college will find an introduction to the fundamentals of graphing and reading charts helpful. Those who need an economics credit for graduation only, will find the classroom discussions relevant.

Hwk.: 2.0 hr/class hr consisting of researching and bringing news articles of current economic events, writing short essays on current economic events, reading portions of the Bob Jones Economics text book and a final project.

Parents will not be responsible for grading.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$7.00 Covers copies for class handouts and for rewards.**

Supplies: Bob Jones University Economics Text Book. Please try to obtain a used copy as the book will only be used as a reference.

### Homework Room 2 M14 (7th-12th)

**M1400**                      **2:00 PM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### P. E. Sports (4th-6th)

**M1446**                      **2:30 PM**

Lesa Davis

Fun outdoor games and exercises.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers equipment.**

Supplies: Athletic shoes and water bottle.

### Current Events (7th-12th)

**M1471**                      **2:00 PM**

Sarah Pinero

We will discuss current events from a Biblical Worldview. Students are required to bring 2-3 current events each week. Typically, an International and National article. The articles needs to be pre-read and understood to facilitate a thorough discussion of the topic. We will do geography each week as we look to maps to look up the different locations that are discussed. The students are required to re -tell about the article( not read it word per word in class) as well as participate in a discussion about their article and also their classmates articles. The student MUST have access to either a newspaper, news magazines, and/or the internet. There will be a test at the end of each semester over the articles discussed.

Class can be given a 1/4 credit for Social Studies per semester.

Homework is about an hour a week. Finding and reading the articles."

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies, rewards, etc.**

Supplies:

### Logic -MS (7th-9th)

**M1472**                      **2:00 PM**

Joanne Palmer

God created man with the ability to reason. Why? So we can communicate with Him. We will play Sudoku and many other logic building games.

Hwk.: 0.5 hr/class hr. Finishing what was started in class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$7.00 Covers copies.**

Supplies: pencil, eraser

### Worship Arts (7th-12th)

**M1476**                      **2:00 PM**

Laura Edmondson

This class is designed to utilize creativity to bring joy and enthusiasm to worship. We will utilize movement and art to express our worship as we listen to Word based music. A dramatic dance will be prepared and performed on Finale night.

Hwk: .5 hr/class hr consisting of listening to the assigned music and reading/memorizing scripture.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$9.00 Covers A cd with the assigned songs, copies, and a folder.**

Supplies:

# Dominion Equippers' Fall 2010

## Monday

### SAT/PSAT Prep (9th-12th)

**M1480**                      **2:00 PM**

Denise Camba

This class will emphasize the Critical Reading & Mathematics portions of the SAT. Students will practice taking timed SAT tests using "The Official SAT Study Guide" 2nd Edition published by the College Board. Tests will be graded and problems missed will be discussed. The class will also review academic skills to help students in problem areas and tips to being a better test taker. Class grading will be based on participation, preparedness, and quizzes over academic skills & tips shared in class. Grades will not be based on the practice test scores.

Homework is not required, but students are encouraged to complete more practice tests & review. SAT dates: 3/13, 5/1, 6/10.

**Cost: \$60.00**

Prerequisite: Alg. 1 & Alg. 2 are recommended prior to taking the SAT!

**Class Fees: \$5.00 covers copies and incentive rewards**

Supplies: "The Official SAT Study Guide" 2nd Edition by College Board, pencil, paper, folder w/pockets, calculator.

### Advanced Physics (11th-12th)

**M1497**                      **2:00 PM**

John Tyler

Equivalent to an "AP" course. The course provides detailed descriptions of kinematics, dynamics, rotational motion, gravity, oscillations, waves, optics, thermal physics, electrical forces, electrical potential, DC circuits, magnetic forces, atomic physics, and nuclear physics. The student is also given an introduction to special relativity and general relativity.

**Cost: \$168.00**

Prerequisite: Physics & Trig

**Class Fees: \$20.00 Covers copies & lab supplies.**

Supplies: Apologia "Advanced Physics in Creation" with Solutions & Test Manual

### Homework Room M15 (7th-12th)

**M1500**                      **3:00 PM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$.00**

Supplies:

### Jr. Hi Guys' Sports (7th-8th)

**M1573**                      **3:00 PM**

Charlie Duran

The class will divide into teams that will play each other throughout the semester. A variety of sports will be played.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00**

Supplies: Good sports shoes, athletic clothes, water bottle and a fun attitude.

### Girls' Intramural Sports (7th-12th)

**M1574**                      **3:00 PM**

Sandy Grim

This class will work on physical conditioning and play a variety of sports such as Volleyball, Basketball, Ultimate Frisbee, Kickball & Dodge ball.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers sports' supplies.**

Supplies: Comfortable clothes, tennis shoes, and water bottle.

### Sr. High Guys' Sports (9th-12th)

**M1579**                      **3:00 PM**

Charlie Duran

The class will divide into teams that will play each other throughout the semester. A variety of sports will be played.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers sports' supplies.**

Supplies: Good sports shoes, athletic clothes, water bottle and a fun attitude.

### Office Products (9th-12th)

**M1597**                      **3:00 PM**

Susan Lee

Very simplified, introduction to MicroSoft Word, PowerPoint and Excel. A brief overview of the purposes of databases will also be included.

Hwk.: 1 hr/wk of fairly easy homework consisting of exploring menu options and completing simple projects. An easy mid-term and final presentation is required.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies: Laptop to bring to class & Internet access to email assignments

# Dominion Equippers' Fall 2010

## Wednesday

### Yearbook (7th-12th)

**W0801** 8:00 AM

Denise Camba

Yearbook staff is limited to 10 positions. Interviews will be held the first week of school.

Being a part of the Yearbook staff will provide training and an introduction into some areas of journalism, time management, photography and project management.

Staff meetings will be held on the 2nd and 4th Wednesday mornings at 8am.

Incentives will be offered to the students in order for them to earn back part of the class cost.

**Cost: \$60.00**

Prerequisite: Fall enrollment only!

**Class Fees: \$0.00**

Supplies: Internet access is a must!

### Graduation (SENIORS!)

**W0812** 8:00 AM

Debbie Liggett & Susan Lee

This class is mandatory for seniors who want to participate in the DE Graduation ceremony in May 2011. Seniors will be meeting to plan their Graduation Ceremony. This class will only formally meet the 1st & 3rd Wednesdays of each month.

**Cost: \$60.00**

Prerequisite: Must have taken, or be enrolled in, 2 DE classes within the last year & meet requirements set forth in the DE Handbook.

**Class Fees: \$0.00**

Supplies:

### Homework Room W09 (1st-12th)

**W0900** 9:00 AM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Fun with Science (1st-2nd)

**W0911** 9:00 AM

Lynnette Lambert

This class is an introduction to Life, Physical, and Earth Sciences. We will learn about this wonderful world God has given us, and some of the mysteries it holds. Will continue in the spring semester.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$20.00 Covers supplies & copies.**

Supplies:

### Hide It In Your Heart (2nd-3rd)

**W0923** 9:00 AM

Joanne Palmer

Through the Scriptures, art, nature, songs, and science.....we will

learn what the colors of the Wordless Book represent. We will also

have a weekly Missionary story. My goal is to never assign

homework.

0 homework hours -Only to finish what was started in class

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Activities, projects, copies, etc**

Supplies: Folder or binder to keep hand-outs in & a Bible

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Ingredients for taste testing, craft supplies and copies.**

Supplies: Pencils, crayons or colored pencils, scissors, glue or glue stick, posterboard, 2 folders (one with three-hole binding).

# Dominion Equippers' Fall 2010

## Wednesday

### Window on the World (4th-6th)

**W0947**                      **9:00 AM**

Laura Edmondson

The class will introduce maps, cultures, and people groups around the world. We will listen to music from different cultures, learn about persecuted Christians, and learn to pray scriptural prayers for the nations. The book "Window On The World" will be our guide.

Hwk.: 0.5 hr/class hr consisting of reading and memorizing scripture assignments and will be given small prayer assignments.

Parents are responsible for assisting their child in memorizing and praying the scripture assignment.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$9.00 Covers Copies, class resources such as maps, Voice of the Martyr's study guides, and art supplies.**

Supplies:

### Essay Writing Continuation Course (5th-6th)

**W0956**                      **9:00 AM**

Dorlisa Thrower

This set of lessons picks up where the Intro to Essays Student Writing Intensive left off and advances writing strength. Students continue to use the same notebook and charts, learning new models and techniques not previously presented in the Intro class. We will also work on a Fix-It Grammar assignment each day.

Writing assignments will not be given each week, but when given should take approximately 1 hour to complete. All source material is supplied by the teacher.

**Cost: \$60.00**

Prerequisite: This course assumes that the student has completed the Student Writing Intensive Intro to Essays course or the equivalent instruction.

**Class Fees: \$18.00 Covers source material, copies, etc.**

Supplies: Continue to use same notebook and materials as in previous class. If new, 1" notebook, 5 tab dividers, notebook paper and spiral notebook.

### Drawing & Design (7th-12th)

**W0971**                      **9:00 AM**

Jennifer Parham

Students will study how line, shadow, and highlights can be applied to paper to create the illusion of a 3 dimensional form. We will also learn design principles such as focal point, pattern, and color theory to create fun and pleasing compositions.

Homework may take about 2 hours a week for practice and finishing assignments.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Covers paper, paint, brushes, drawing tools, and copies, etc.**

Supplies: A portfolio or large folder for keeping track of drawings as large as 12 x 18.

### Homework Room 1 W10 (1st-6th)

**W1001**                      **10:00 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 W10 (7th-9th)

**W1002**                      **10:30 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 3 W10 (10th-12th)

**W1003**                      **10:30 AM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

# Dominion Equippers' Fall 2010

## Wednesday

### Homework Room 2 W10 (7th-12th)

**W1004** 10:00 AM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$0.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Preschool for 4's & 5's (PK4-K)

**W1005** 10:00 AM

Stephanie Bingham & Nora Wright

Preschool will be structured like a Head Start Program where the children will be introduced to the alphabet (letter recognition) and phonics (letter sounds), numbers and recognition, hands on science, Bible time and discussion, and life skills (motor skills, calendar, critical thinking of concrete and abstract ideas, team work, social skills). This class will be offered from 10:00 AM to 2:00 PM Mondays and Wednesdays with a 30 minute lunch starting at 12:00. Either day or both days may be registered for.

**Cost: \$160.00**

Prerequisite: Children must be four years old by August 1st or by interview if three years old

**Class Fees: \$20.00 Covers supplies.**

Supplies: Beginners pencil (the fat ones), eight count fat Crayola crayons, big pink eraser, pencil case, and lunch with a drink.

### America the Beautiful (1st-2nd)

**W1011** 10:00 AM

Lynnette Lambert

In this class we will learn about our wonderful country, state by state. A little geography, a little history, and map skills. Will continue in the spring semester.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers supplies.**

Supplies:

### Presidents (2nd-4th)

**W1024** 10:00 AM

Cindy Barkley

Which President was born a King? Which President's phone number was 1? Which President got a ticket for speeding while President? To find the answers to these and other fun questions and to learn some basic information about the men who have been President of our country join our class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies, craft supplies and rewards**

Supplies: 3 ring binder

### Logic -Elem (4th-6th)

**W1048** 10:00 AM

Joanne Palmer

God created man with the ability to reason. Why? So we can communicate with Him. We will play Sudoku and many other logic building games.

Hwk.:0.5 hr/class hr. Finishing what was started in class.

**Cost: \$60.00**

Prerequisite: none

**Class Fees: \$7.00 Covers copies.**

Supplies: pencil, eraser

### Illustrative Arts (7th-9th)

**W1071** 10:30 AM

Jennifer Parham

Students will learn about book binding and relief and silk screen printmaking for the use of illustrating a scripture, song, poem, or short story. They will bind the completed prints along with the text in their own handmade book for the final project.

Homework may take about 2 hours a week for finding reference and completing projects.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$20.00 Various printmaking supplies, paper, ink, boards, etc.**

Supplies: Students will need a material of their choice for covering the book by the 7th week of class. This can be fabric, decorative paper, or a collage of items that can be glued flat to the surface of the book board.

### Geography; Prayer for All (7th-12th)

**W1074** 10:30 AM

Laura Edmondson

2 semester class. Fall-N. America, S. America & Europe. Spring-Africa, Asia, & Australia/Oceania. Map reading, physical/political maps, land forms, animal & physical resources, people groups, Scriptural prayer, etc. are included. Grade is based on 90% academic assignments & 10% spiritual assignments. However, rewards are solely for spiritual assignments completed!

3 hr/week homework.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Notebook w/dividers and copies will be supplied.**

Supplies: Atlas, References at home such as globe, Internet, Almanac, Bible, etc.

# Dominion Equippers' Fall 2010

## Wednesday

### The Art of Singing (10th-12th)

**W1096** 10:30 AM

Reyth Garcia

This class will focus on developing the voice through both small ensemble and solo singing. Instruction will be based completely on the skill of each student with a goal of coaching the skills they already have and taking their singing to a new level. This class will include some classical techniques aimed at strengthening vocal production and tuning as well as phrasing and expression.

Hwk.: 2.0 hr/class hr Practice and memorization will be essential. Thirty minutes a day is average, but may be more or less depending on the difficulty of the material and/or experience of the singer.

**Cost: \$60.00**

Prerequisite: none

**Class Fees: \$7.00 Copies, CD's, rewards**

Supplies:

### Homework Room 1 W11 (1st-6th)

**W1101** 11:00 AM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 W11 (7th-12th)

**W1102** 11:30 AM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Alphabet Crafts (PK4-K)

**W1111** 11:00 AM

Lynnette Lambert

Each week we will focus on a new letter with stories, poems, and crafts to develop letter and sound recognition.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers supplies**

Supplies:

### The American Revolution (4th-6th)

**W1135** 11:00 AM

Kim Martinez

Using History Pockets' "The American Revolution" as the foundation, we'll study about many aspects of the war... from the Boston Tea Party to the Declaration of Independence and from patriots to traitors. We'll learn about life before, during and after the war and see how our nation was formed.

Hwk.: 0.5 hr/class hr. Completing worksheets and writing assignments, plus there will be two quizzes.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$12.00 Craft supplies and copies.**

Supplies: Pencils, crayons or colored pencils, scissors, glue or glue stick, folder.

### Reading-Where The Red Fern Grows (5th-6th)

**W1145** 11:00 AM

Michelle Anderson

Where The Red Fern Grows is a novel by Wilson Rawls, which tells about the experiences of a young boy named Billy and his dreams of owning two coon hounds. Billy learns about life, death and prayer while owning these dogs, and we will see the strength, love, and faith of Billy and his family as we read through this book. We will have the opportunity to go a little more in depth with the 5th-6th grade in class as well as in some of extra assignments we will do. Even if your student has read this book before, they will enjoy reading it again and learn even more about the story and the characters using the Total Language Plus Curriculum. The TLP curriculum covers reading comprehension, spelling, vocabulary, and some writing. In class we will strengthen our reading comprehension, spelling, vocabulary, and writing through classroom games and exercises.

Hwk: 1 hr/class hr (depending on reading speed) consisting of reading the story each week, and students will receive a Homework packet covering 2-3 chapters at a time where they will answer written comprehension questions, practice spelling, and vocabulary.

Parents are asked to oversee the completion of their student's homework, and grade their weekly spelling pre-test. All additional grading will be done by the class VP and teacher.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$17.00 Covers Total Language Plus Student Curriculum Packet, copies, and additional class supplies.**

Supplies: 1" 3-ring binder for curriculum, 3x5 cards, a spiral or composition notebook

# Dominion Equippers' Fall 2010

## Wednesday

### Nutrition in Health (7th-12th)

**W1171**                      **11:30 AM**

Rebecca Quiggle

Child will learn nutrients in foods and why they are important to health, appropriate portion sizes, how to read labels with grocery store field trip, sugar content in foods, fiber, empty calories, importance of exercise and sleep to health, the balance of food eaten and exercise to weight, and eating behaviors.

Homework: 1-2 hours /week of small projects, journaling, plus exercise requirements and study for 3 tests. Parents have no responsibility for grading. However, since parents are the major "gatekeepers" for food brought into the house, parents must be willing to support and allow child to participate by eating nutritious foods.

**Cost: \$60.00**

Prerequisite: none

**Class Fees: \$7.00**

Supplies: 1/2" 3-ring binder and paper, calculator, yellow highlighter, walking/ tennis shoes on test days. No text needed.

### Singing Basics (7th-12th)

**W1176**                      **11:30 AM**

Reyth Garcia

This class will focus on proper techniques for healthy vocal production. We will use ensemble literature to develop excellent breathing, diction, phrasing and expression. We will use a variety of musical styles to apply our skills and choose our best piece to present on Finale Night at the end of the semester. Singers at all levels of skill are welcome!

Hwk.: 1 hr/class hr Students should develop a regular practice routine at home to reinforce skills presented in class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Copies, CD's, rewards**

Supplies:

### Digital Photography (8th-12th)

**W1185**                      **11:30 AM**

Jesi Abernathy

Basic introduction to digital photography including basic equipment, lighting and exposure, shot composition, photo editing and computer use. Students will learn how to compose shots, use basic camera and lighting equipment, manipulate exposure and lighting and then load, edit and print the pictures from their computers.

Hwk.:0.5 hr/week for photo taking assignments and emailing them to the teacher or printing the pictures for class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Copies of handouts, photo printing supplies - matting, photo paper, etc. for display of final projects.**

Supplies: Students will need access to a good, functioning digital camera, a computer with basic photo editing capabilities or software and email. They will be emailing photos to me for printing for their final projects.

### Figure & Portrait Drawing (9th-12th)

**W1191**                      **11:30 AM**

Jennifer Parham

Students will learn about the proportions of the clothed figure, face, and hands and how to use lines and shadow to render them 3 dimensionally. We will learn to break the human form down into simple shapes that the student can then work on refining into the full form. We will also work on drawing the figure in color with pastels.

About 2 hours a week of practice and completion of assignments.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Charcoal, pastels, paper, spray fixative, photos and photo copies, etc**

Supplies: A portfolio or large folder for keeping track of drawings.

### Homework Room 1 W12 (1st-6th)

**W1202**                      **12:30 PM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

# Dominion Equippers' Fall 2010

## Wednesday

### Discovering Great Artists (K-1st)

**W1213** 12:30 PM

Toy Parham

Fun and unique art activities for children to experience the styles and techniques of the great masters, from the Renaissance to the present. A brief biography of each artist and a correlating art activity.

**Cost: \$60.00**

Prerequisite:

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 2 W13 (7th-9th)

**W1302** 1:00 PM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Homework Room 3 W13 (10th-12th)

**W1303** 1:00 PM

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Reading Games (K-1st)

**W1305** 1:30 PM

Pk Francis

A variety of fun games to improve and polish reading skills. The class will work on phonetic blends and dolche sight words.

This class is scheduled for 2 days each week, but can be registered for individually as a one day/week class on either Monday or Wednesday.

Hwk.: 0.5 hr/class hr. Practicing some repetitions in phonics, site words reading and writing.

**Cost: \$60.00**

Prerequisite: Need to be proficient in letter recognition and single letter phonic sounds.

**Class Fees: \$5.00 Covers copies.**

Supplies:

# Dominion Equippers' Fall 2010

## Wednesday

### Math Fun (K-1st)

**W1306**                      **1:30 PM**

Cindy Barkley

We will use games and songs to introduce numbers and math concepts such as sequencing, greater than and larger than, skip counting and fractions.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers games.**

Supplies:

### Elem. Worship Arts (1st-6th)

**W1316**                      **1:30 PM**

Laura Edmondson

This class is designed to utilize creativity to bring joy and enthusiasm to worship. We will utilize movement and art to express our worship as we listen to Word based music. A dramatic dance will be prepared and performed on Finale night.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers CDs & rewards.**

Supplies:

### Christian Worldview (7th-9th)

**W1371**                      **1:00 PM**

Laurie Thompson

A lively and interactive class, we will explore the Biblical answers to Who is God, Man and the Universe. Then we will take a look at a range of literature and pop culture: from Skittles commercials to literary classics to learn how to discern what is coming at us and from whose viewpoint.

Hwk.: 1.5 hr/class hr consisting of reading books, watching movies and summarizing main ideas in written form. Preparing to share insights with class in informal setting.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$15.00 Covers copies & incentives.**

Supplies: Answers for Difficult Days by David Quine, The Cornerstone Curriculum Project ISBN 978-0-9656512-1-9 & The Lion, the Witch and the Wardrobe and The Horse & His Boy both by C. S. Lewis, and a 2" 3 ring binder.

### Essay Writing Continuation Course (7th-9th)

**W1373**                      **1:00 PM**

Dorlisa Thrower

This set of lessons picks up where the Intro to Essays Student Writing Intensive left off and advances writing strength. Students continue to use the same notebook and charts, learning new models and techniques not previously presented in the Intro class. We will also work on a Fix-It Grammar assignment each day.

Writing assignments will not be given each week, but when given should take approximately 1 hour to complete.

**Cost: \$60.00**

Prerequisite: This course assumes that the student has completed the Student Writing Intensive Intro to Essays course or the equivalent instruction.

**Class Fees: \$18.00**

Supplies: Continue to use same notebook and materials as in previous class and bring a spiral notebook. If new, 1" notebook, 5 tab dividers, notebook paper and a spiral notebook.

### Reading-Johnny Tremain (7th-9th)

**W1375**                      **1:00 PM**

Michelle Anderson

This is a historic fiction book set in Boston shortly before the Revolutionary War. The story is filled with excitement, and challenges faced by a young apprentice named Johnny Tremain. Even if your student has read this book before, they will enjoy reading it again and learn even more about the story, historic time period, and characters using the Total Language Plus Curriculum. The TLP curriculum covers reading comprehension, spelling, vocabulary, and some writing. In class we will strengthen our reading comprehension, spelling, vocabulary, and writing through classroom games and exercises.

Hwk: 1 hr/class hr (depending on reading speed) consisting of reading the story each week, and students will receive a Homework packet covering 2-3 chapters at a time where they will answer written comprehension questions, practice spelling, and vocabulary.

Parents are asked to oversee the completion of their student's homework, and grade their weekly spelling pre-test. All additional grading will be done by the class VP and teacher.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$21.00 Covers Total Language Plus Student Curriculum Packet, Teacher will purchase the Johnny Tremain book, copies, and additional class supplies.**

Supplies: 1" 3 ring binder for curriculum, 3x5 cards, a spiral or composition notebook

# Dominion Equippers' Fall 2010

## Wednesday

### Logic -HS (10th-12th)

**W1393** **1:00 PM**

Joanne Palmer

God created man with the ability to reason. Why? So we can communicate with Him. We will be using exercises from the Mars Hill Introduction to Logic series, play Sudoku and many other logic building games.

Hwk.: 0.5 hr/class hr. Finishing what was started in class.

**Cost: \$60.00**

Prerequisite: none

**Class Fees: \$7.00 Covers copies.**

Supplies: pencil, eraser

### Chemistry LAB for AM Class (10th-12th)

**W1395** **1:00 PM**

Susan Lee

Chemistry Lab is an extra hour each week and is required for Chemistry. This lab is for the 11:30 Chemistry class.

**Cost: \$0.00**

Prerequisite:

**Class Fees: \$40.00 Covers lab supplies.**

Supplies:

### Real (Easy!) Speech for a Real World (10th-12th)

**W1396** **1:00 PM**

Reyth Garcia

Learn to prepare and present speeches for everyday occasions. We will cover introductory, informative, demonstration, persuasive and devotional speeches that will be useful in a variety of real world situations that may require speaking in front of an audience whether large or small. Fulfills the speech credit required for graduation.

Hwk.: 2.0 hr/class hr Homework will consist of preparing speeches for presentation in class.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies & rewards**

Supplies:

### HS Theater Arts (10th-12th)

**W1398** **1:00 PM**

Jesi Abernathy

Students will receive a well rounded introduction to theatre arts and acting. They will investigate theatre history, improvisation, characterization, directing, blocking, technical theatre, costuming, stage make-up and memorization techniques. Students will enjoy exciting games, lots of class participation and freedom of expression.

Students will be able to develop their acting and performance skills in a safe, nurturing environment. They will be encouraged to take full creative license and express themselves in a way that's comfortable and easy for them. The class will build to a final performance. There will also be an optional family field trip to a professional performance.

Homework will consist of very easy creative homework assignments and learning lines. 0-30 min/week on average.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$6.00 Covers copies.**

Supplies:

### Homework Room 2 W14 (7th-12th)

**W1400** **2:00 PM**

Supervised homework time. Students are required to bring something to work on or to read during this time.

**Cost: \$10.00**

Prerequisite:

**Class Fees: \$0.00**

Supplies:

### Intro To Essays (7th-9th)

**W1473** **2:00 PM**

Dorlisa Thrower

The class will use the Excellence in Writing curriculum. Lessons are given in class followed by writing assignments and reinforcement exercises. Parents are expected to provide help as needed and edit written work before it is turned in for grading (a checklist is provided for each assignment to assist in this).

We will also work on a Fix-It Grammar assignment each day. Writing assignments will not be given each week, but when given should take approximately 1 hour to complete.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$18.00 Covers copies of curriculum.**

Supplies: 1" binder, notebook paper, pen/pencil, highlighter and spiral notebook

# Dominion Equippers' Fall 2010

## Wednesday

### Beginner Crochet (7th-9th)

**W1477**                      **2:00 PM**

Alisa Parsons

Beginner crochet class that doesn't require any previous experience. Students will learn basic crochet stitches, how to read a pattern, and complete 6 to 8 projects using different textures of yarns. Crocheting requires patience, helps hand-eye coordination, and is a great confidence builder.

Hwk.: 1 hr/wk consisting of crocheting at home (is recommended but not required).

\*\*Please do not purchase any yarn until teacher indicates it is needed. Adaptions may be made if necessary. Bring all three hooks first day and thereafter.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$5.00 Covers copies, glue sticks, some yarn, magnets, hair bands, fiber stuffing.**

Supplies: Corchet hooks: sizes G, H & J for the 1 day! Later: 12" pillow form, hot glue gun, ruler, and 1 ball of sportweight yarn, 1 ball of Chenille yarn (Christmas color), 1 ball fun fur (white), 4 balls fun fur (your choice of color).

### SAT/PSAT Prep (9th-12th)

**W1480**                      **2:00 PM**

Denise Camba

This class will emphasis the Critical Reading & Mathematics portions of the SAT. Students will practice taking timed SAT tests using "The Official SAT Study Guide" 2nd Edition published by the College Board. Tests will be graded and problems missed will be discussed. The class will also review academic skills to help students in problem areas and tips to being a better test taker. Class grading will be based on participation, preparedness, and quizzes over academic skills & tips shared in class. Grades will not be based on the practice test scores.

Homework is not required, but students are encouraged to complete more practice tests & review. SAT dates: 3/13, 5/1, 6/10.

**Cost: \$60.00**

Prerequisite: Alg. 1 & Alg. 2 are recommended prior to taking the SAT!

**Class Fees: \$5.00 covers copies and incentive rewards**

Supplies: "The Official SAT Study Guide" 2nd Edition by College Board, pencil, paper, folder w/pockets, calculator.

### Intro to Psychology (9th-12th)

**W1492**                      **2:00 PM**

Jesi Abernathy

The purpose of the course is to introduce students to psychological science. Students would receive a broad introduction including Psychological Science & Theory Development, Sleeping and Dreaming, The Nervous System, The Structures and Functions of the Brain, Associative Learning, Memory and Social Psychology.

Hwk.: 0.5 hr/week Student will need to read over notes taken in class and write one short essay every two weeks. Study time prior to final exam.

**Cost: \$60.00**

Prerequisite:

**Class Fees: \$10.00 Covers copies, text hand outs & experiment supplies**

Supplies: No text needed. It will be supplied through hand outs and copies
